BE SMART, PLAY SMART®

SET A LIMIT. STICK TO IT.

Before you play, set a limit on the amount of money you will spend. Don't chase your losses and only spend money you have.

DON'T OVERDO IT. TAKE A BREAK.

Watch the clock and keep track of how much time you are devoting to the lottery. Don't let the lottery negatively impact your time with family and friends.

IT'S NOT A KIDS' GAME.

It is illegal for individuals who are under the age of 18 to play Illinois Lottery games. If you see someone breaking this law, please call 1-800-252-1775.

PLAY FOR FUN. NOT FUNDS.

It is fun to dream about winning a big jackpot, but you can never count on winning money. Play the Illinois Lottery as a fun or social activity - not as a way to earn money.

REMEMBER, IT'S A GAME OF CHANCE.

It is important that you know the rules of the games you play. The odds, ticket prices, prizes and rules vary greatly for each game. Visit the games page on IllinoisLottery.com to find specific information for each of our games.

Be Smart, Play Smart® Must be 18 or older to play.
