

INTRALOT PHOTON TERMINAL SET UP INSTRUCTIONS

TRAINING MODE

Once your Photon Terminal has been installed, you may use the training mode at any time to familiarize yourself and your team with the device. In the **TERMINAL TAB**, press the **TRAINING MODE** button. Confirm your selection. Press the **SIGN IN** button and enter in the last 6 digits of the retailer number for the user ID and 9999 for the passcode. To exit training mode, simply press the **SIGN OFF** button and confirm your selection.
