Some exciting changes were made to Lotto on March 28, 2021:

- Along with the main jackpot drawing, Lotto is adding two additional drawings: Lotto Million 1 and Lotto Million 2, each for a chance to win \$1,000,000.
- Players will now choose from 50 numbers, rather than 52, improving the odds of winning to 1 in 6.9!
- Your players get to enjoy better odds and more chances to win for just \$2.
- The Lotto \$2M starting jackpot, \$150K incremental increases, draw days, and draw time will all remain the same.
