LIFE CYCLE OF A BOOK

INSTANT GAME REPORTS

Inventory Summary

- Displays all the retailer's instant ticket games and their status, i.e., in-transit, activated, received.

Inventory Detail

- Displays all the retailer's instant ticket games, the name, the current status and the date they entered that status. Settled books will appear for 90 days.

INSTANT GAME REPORTS

Returned Book

- Displays all the retailer's returned instant ticket books from a specific time period, when they were returned, and how many tickets were remaining.

Book Activations

- Displays the retailers activated instant ticket books and the method they were activated.

INSTANT GAME REPORTS

Settled Books

- Displays the all books that were settled in a specific time period , the date they were settled, and the amount they were settled for. In order of game number.

Instant Cashes

- Displays all instant ticket validations completed within a specific time period.

INSTANT GAME REPORTS

Aging

- Displays packs that have been activated for 60 days and the settlement day for each book.

Ranking

- Provides statewide ranking of games and the price per pack.

Confirmed Book

- Displays all instant ticket books at a retailer and the shipment number they are associate with. List by game number.

INSTANT GAME REPORTS

Book History

- Displays the complete history of a scanned book, includes status changes, the dates of the status changes, and even ranges of tickets should partial packs be activated.

Future Settlement

- Displays a report of instant tickets that are auto-settled by the system settlement based on a 90-day settlement profile.

INSTANT GAME REPORTS

Billing Detail

- Acts as a receipt for settled books on a specific day, giving the game, book number, and amount it was settled for.

Inventory on Clean up

- Displays all games, the amount activated, and the amount confirmed, on site with the retailer.

BEST PRACTICES

- Confirm your shipment as soon as you get it.
- Activate new games immediately
- Use your Instant Ticket Daily Balance Sheet every day!
 - It informs you how much you have sold.
 - It keeps track of your instant ticket inventory.
 - It may deter internal loss prevention situations.
- Ask you LSR for an Instant Ticket Daily Balance Book.

[illegible]

A large, irregular yellow watercolor splash shape on the left side of the slide, with some darker yellow and brownish spots extending from its edges.

SETTLING INSTANT TICKET BOOKS

Settling means paying for an Instant ticket book. Books are not paid for in advance. They are generally paid for after the book has been sold. Books are settled in one of three ways:

- 90 Days have passed since the book was activated.
- 90% of low tier prizes have been collected.
- Book are manually settled by the retailer or Lottery Sales Representative.

ORDERING

Contact Tel Sell at the Retailer Hotline
1-844-806-8930 Option 1

Have your order ready to place

REPORTING STOLEN TICKETS

- **Stolen Tickets**
 - Report theft to the police and request a copy of the police report
 - Report to the Retailer Hotline at 1-844-806-8930 as soon as possible
 - You will need the game, book number, and ticket ranges that were stolen. If you are unsure which ticket range was stolen, you may simply report the whole book as the subject of theft.

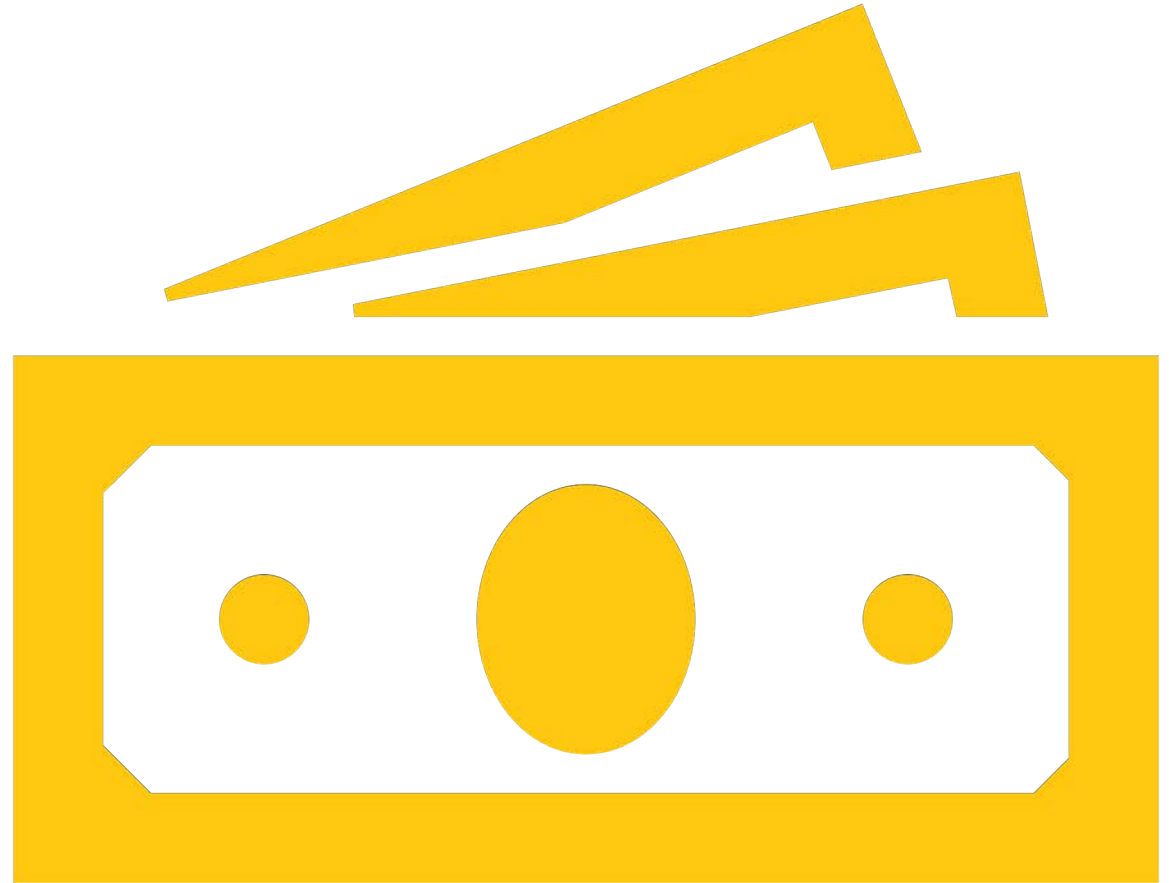

SPEAKING OF SECURITY

The Lottery Security office recommends obtaining or completing the following ...

- Store alarm system
- External shutters for store windows/doors
- Store CCTV system, with a camera focused on lottery equipment
- Full Instant ticket books kept in a secure room, in a safe, or locked cabinet
- Tickets kept in locked Bins or MSD

PAYING TICKETS

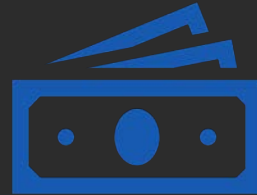

SECTION 5 OF 7

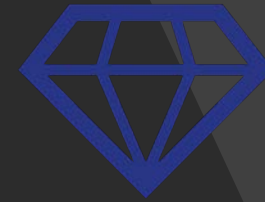

TERMS TO KNOW

Validate: To check to see if a ticket is a real winner

Payout / Cash: To pay out the winning amount of a ticket

Retailers may only payout \$600.00 or less per ticket

FOR PRIZES OVER \$600.00 PLAYERS MUST GO TO A LOTTERY CLAIMS CENTER. LOTTERY CLAIMS CENTER LOCATIONS CAN BE FOUND AT WWW.ILLINOISLOTTERY.COM

PAYING TICKETS

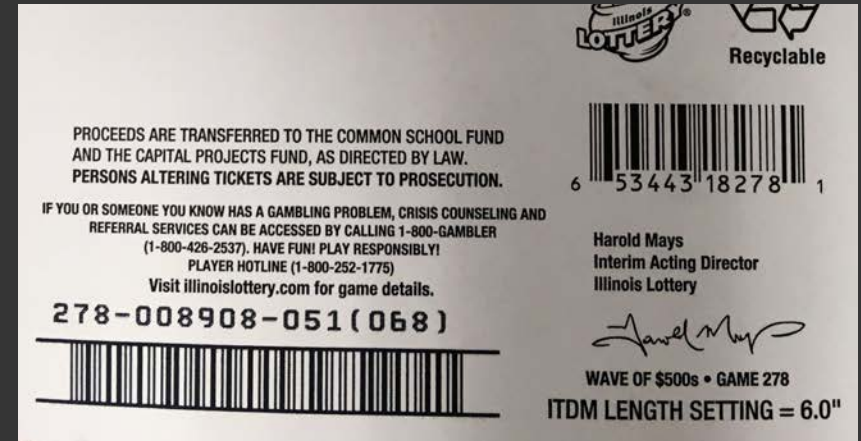

- There are two methods to pay out winning tickets
 - Coupon Tray or Barcode Scanner (Online)
 - Barcode Scanner (Instant)
 - Manual entry

INSTANT TICKET PRIZE VALIDATION

3 Digit Games

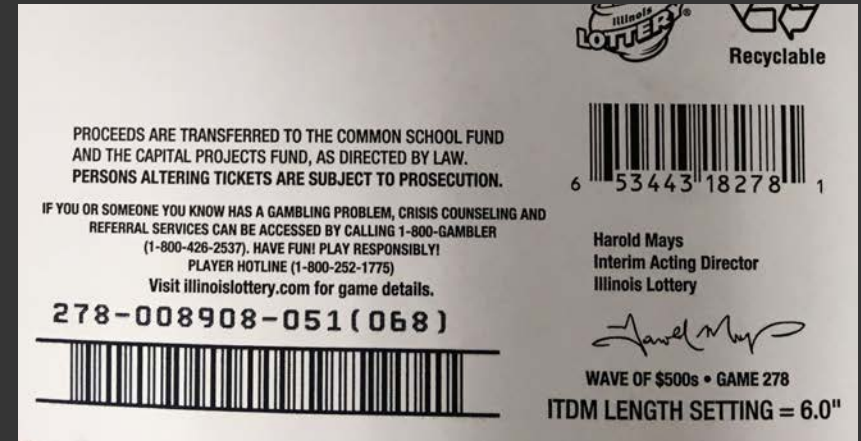

- Scan the front 3D barcode and it will be automatically validated.
- Scan the back 2D barcode and the Photon will require a 4 digit confirmation number.

INSTANT TICKET SCANNING

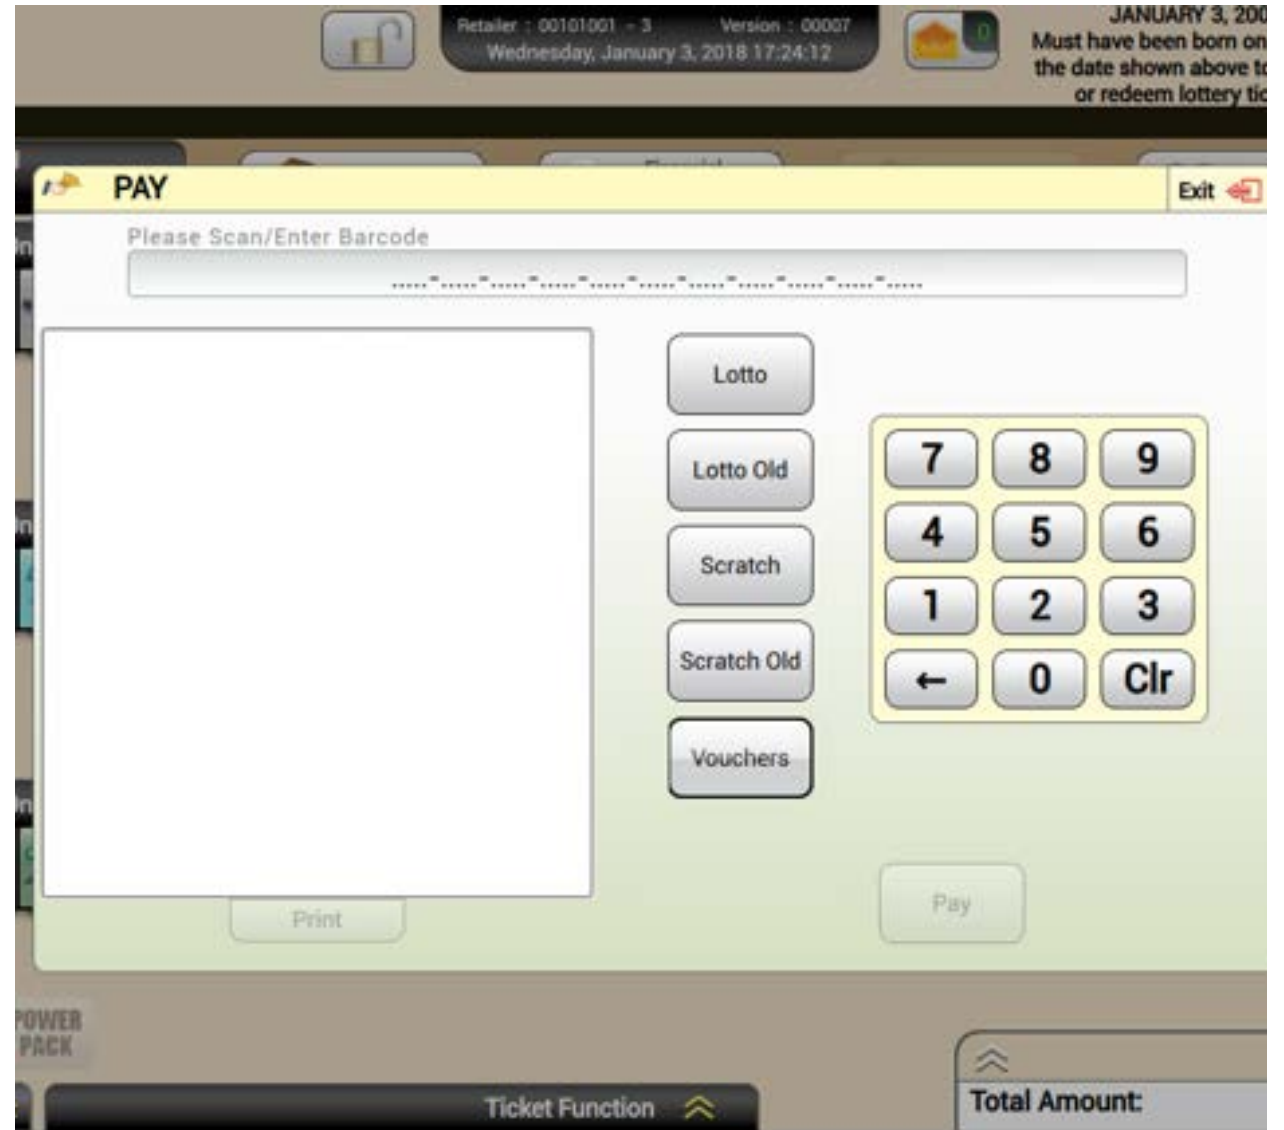

4 Digit Games

- Scan the front 3D barcode and it will be automatically validated.
- Scan the back 2D barcode and the Photon will require a 10 digit confirmation number.

PAYING TICKETS: SCANNING

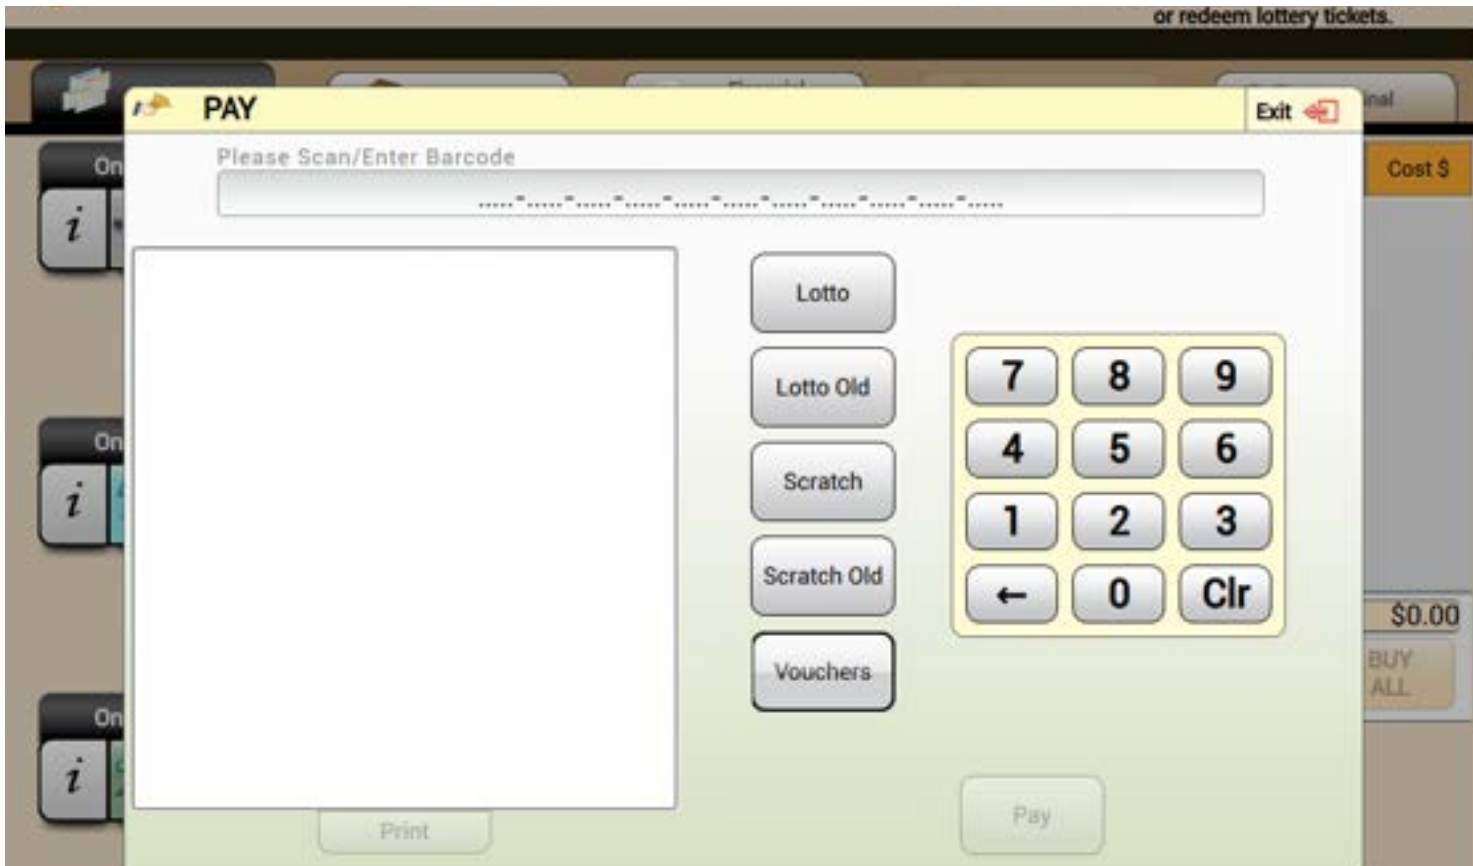

- The Photon will alert you to a winner with an audio message.
- The payment screen will automatically open.

PAYING TICKETS: MANUAL

- Only used if a ticket cannot be scanned.
- Open the ticket function drawer
The payment screen will automatically open
- Press the Pay button
- Select the type of ticket

- Enter in the Barcode number
- The Photon will alert you to a winner with an audio message
- The payment screen will automatically open

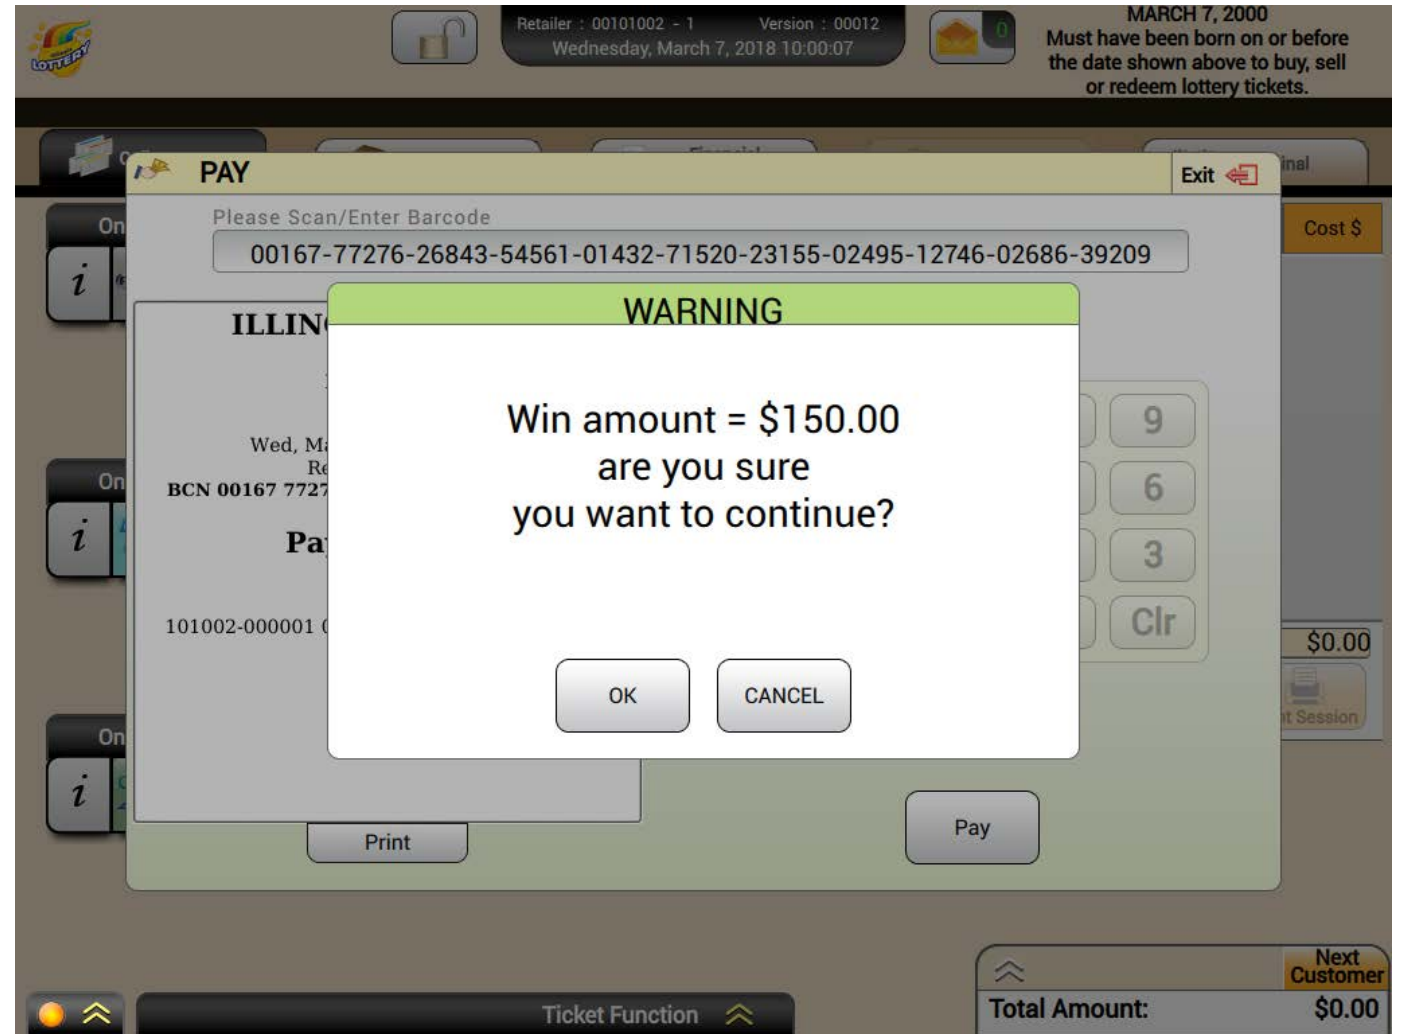

PAYING TICKETS: MANUAL

PAYING TICKETS

- Check to see if the ticket is under \$600.00. You may not pay out a ticket \$600.00 and over. These must be taken to a Lottery Claims office.
- Check to see if you have the funds to pay out the winning ticket
- If you can pay out, press the Pay button

PAYING TICKETS

A confirmation screen will appear to make sure one cannot accidentally pay for a ticket

BEST PRACTICES

- Upsell your lottery products
- Instant tickets should be on the counter
- All bins should be full
- Make sure all play slips are available
- Have the latest LSR supplied Point of Sale
- Activate new instant tickets upon receipt
- Carry a range of instant tickets across all price points
- Payout Winning tickets before the players make Lottery purchases
- Keep your Lottery Money in a separate till, away from your general sales money
- Train your employees to check to see if there is enough money to pay out large winners, and how much will be left before paying out
- If the player requests their winning ticket, you are required to give it to them even after payment
